

# We Want Your Stuff... for our auction!

CCHA will be holding a fundraiser on Saturday, Nov 3, 2018, to raise funds to complete the renovation of the smokehouse in the Chatham County Agricultural and Conference Center courtyard. Volunteers will be serving a country brunch and offering up some fantastic items in a silent auction.

**That's where you come in!** Please help us make this event a success by donating something for our auction--merchandise, a gift certificate, art or handcrafted items, or interesting vintage objects. How about a weekend getaway, dining experience, a lesson, class, or tickets to a concert, play, or sporting event?

Have another idea? Let us hear it! The illustrations on this page show a few of the great items offered at last year's auction.

Your donation will help us raise funds to finish the smokehouse and share a unique part of Chatham history with current and future generations.

Contact Cindy Schmidt for more info:

Meanwhile, mark your calendar and plan to spend part of your morning with us on Nov 3. Snag some of the great auction items for yourself or for unique gifts! More event info available soon.
