

Look for CCHA at Chatham County's Spring Ag Fest

Be sure to stop by the CCHA exhibit at Chatham's Spring Ag Fest on March 24. We'll be there to show off the smokehouse in the Ag Center courtyard--a CCHA project that will preserve a reminder of a time-honored agricultural tradition.

Come see our progress on restoring the mid-1800s smokehouse which was found right there on the Ag Center property and is being reconstructed in the courtyard of the Agriculture and Conference Center to preserve a reminder of a time-honored agricultural tradition. If you have stories about Chatham County smokehouses and meat preservation, please come share what you know with us!

We had a great time at last year's grand opening and look forward to sharing the smokehouse story with you this year!

Last year at Ag Fest the only indication of the smokehouse was the excavation for the foundation in the Ag Center courtyard. Come see our progress!
