

Preservation Referrals and Advice

The CCHA is a source of information for inquirers about structures listed on the National Register in Chatham County, people who wish to place their houses on the National Register or receive tax credits for restoration projects. These inquiries are usually referred to the [State Historic Preservation Office](#) after a short explanation of the application process, offering the name and telephone number of a contact person. We can sometimes offer the name of a local person who has recently completed a project. We also refer interested persons to [Preservation North Carolina](#). For help with inquiries of this kind, contact Preservation@chathamhistory.org.
