

Restore the Smokehouse – The Final Chapter

Be a Part of the Story

Seldom do communities have an opportunity to save a part of the county's architectural heritage in a way that keeps the structure in its original location *and* makes it a public feature—on county property where it can be appreciated and enjoyed by all Chatham's citizens. The smokehouse discovered on the property now occupied by the Chatham County Agriculture and Conference Center has afforded that opportunity and CCHA is working to make it happen.

Now We Need Your Help

CCHA is grateful for community interest in the project and for the financial and in-kind contributions received from community businesses, organizations, and individuals to date. *As the project nears completion, however, we invite everyone with an interest in Chatham's history to make a contribution to this effort.*

Donations of any amount will help us return the smokehouse to the property where it stood for more than 150 years and make it an educational and historic feature that all can be proud of.

Donations of \$100 or more will be recognized on a plaque to be installed on or near the smokehouse when it is returned to its original location on the Chatham County Agriculture and Conference Center property. Add your name to the list of generous contributors to this important preservation project!

Donations also may be made in honor or in memory of someone. Just use our [Smokehouse InMemory/InHonor Donation Form](#). If you wish, CCHA will send your honoree a card to acknowledge your gift.
