

# LIST OF THOSE FIRST DRAWN.

On last Friday the War Department at Washington drew by lot the names of those who will be liable in the order named to military duty. The number of soldiers allotted for Chatham to furnish is 192, but the county board will summon before them about 400 or more because about one-half of those drawn will be exempted. If any one claims exemption he must at once appear before some member of the county board, which is composed of Dr. L. E. Farrington, C. N. Bray and J. B. Atwater, and he will be furnished a blank form upon which to make out his application for exemption. The applicant cannot appear before the board either in person or by attorney.

The following is a list of the first four hundred drawn in Chatham, and they will be liable to be drafted in the order drawn:
