How to Submit a Photo of a Chatham County Veteran for the Tribute to Valor Exhibit

Who is eligible? Veterans of any armed forces service branch (Army, Marine Corps, Navy, Air Force, Space Force and Coast Guard) who have a strong connection to Chatham County. The connection may include being born in Chatham, living here for most of one's life, enlisting or serving while a Chatham resident.

What to submit: Digital photos of the veteran in uniform and without others in the photo are preferred, if possible. Photos should be scanned at high resolution and saved in jpg format. Please include the following information with the photo: veteran's name, service branch, rank, your name, email address. By submitting the photo, you agree that CCHA has your permission to use the photograph in its exhibits and for other educational purposes.

How to submit: If your email program will not reduce the size of the digital photograph, you may email it as an attachment to history@chathamhistory.org. Receipt of the photo will be acknowledged. If you have any difficulty submitting the photo by email, contact us at history@chathamhistory.org for instructions on how to get the digital file to us.
