New Horizons Downtown is Supporting CCHA

Our Friends at New Horizons Downtown will donate 10% of all sales made between 5:00pm and 8:30pm on this special night to the Chatham County Historical Association.

Here's a chance to support a local business and benefit Chatham history at the same time!

During the holiday season, New Horizons Downtown will have Chatham historical ornaments for sale. All proceeds from these ornaments benefit CCHA. These ornaments make great gifts for the Chatham folks (or the folks who wish they could still be Chatham folks) on your gift list!

Our ornaments, along with Chatham historical publication, maps and prints, are also available for sale in our Museum Giftshop during Museum hours only (Wed-Fri, 11-4). Cash or check only for Museum sales.
