

## More Chatham Yearbooks Added to Digital Collection

Twenty Chatham County High School Yearbooks have been added to the digital collection!

CCHA and the Chatham County Public Libraries have collaborated to make Chatham County yearbooks accessible. All three Chatham libraries have yearbook collections, and many of the older yearbooks are also available online.

Additional volumes are added to the digital collection as they are donated to the libraries and/or “age in” to meet the 50 year-or-older standard for inclusion. The North Carolina Digital Heritage Center has recently added these volumes, bringing the total number of Chatham Yearbooks in the digital collection to 45:

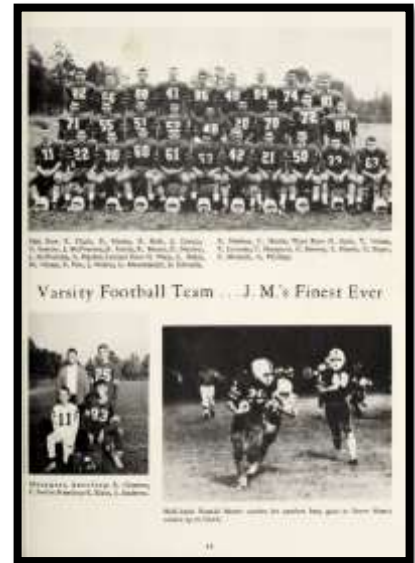

Chatham Central High School (Centralia) 1959-1965; Goldston High School (Goldstone) 1947-1950, 1952-1958; Jordan Matthews High School (Phantomaire) 1962; Pittsboro High School (Dragonian) 1965.

Many thanks to the donors of all of the yearbooks in the collection. Your generosity will allow others to enjoy this great resource. If you have a yearbook not included in the collection, please consider sharing it.
