

Fundraising to Raise the Roof

We raised nearly \$3,000 for the smokehouse! Thanks to all who made it possible!

Help for the smokehouse restoration project came in the form of a breakfast/brunch and silent auction on Saturday, November 4, 2017. The event took place at the Kiwanis Club building in Pittsboro. The CCHA workforce for the day was challenged by cooking for the masses, but we were delighted to share our enthusiasm for the association and for the smokehouse project with guests who came to enjoy a hearty country breakfast or to browse and bid on the silent auction items.

We are especially grateful for the generous support of the following individuals and businesses who donated a delightful variety of items for the auction and for the volunteers who made the fundraising event a success.

THANK YOU!
