

A Look into Chatham's Past

A Girl Scout Gold Award Project

A Look into Chatham's Past is a Girl Scout Gold Award Project by Ella Sullivan that highlights eleven Chatham residents whose stories Ella thought were worth telling through podcasts. We're happy to support and share Ella's work with you here!

Ella dedicated her project to her grandfather, Lee Sullivan, who passed away earlier this year. At the time of his death, Lee was the president of the Chatham County Historical Association and Ella was aware of Lee's love for his community and desire for its rich history to be documented and shared. We think Lee would be proud of her accomplishment!

Ella can be contacted via her project website and welcomes comments.
